# About this item

- **SCOOP OR SWIRL:** Customize flavors and choose between classic scoops or soft serve outputs. With 13 versatile one-touch programs, there's a frozen treat for everyone.
- **6 ADDED SOFT SERVE PROGRAMS:** Go beyond classic scooped ice cream with Soft Serve, Fruit Whip, Frozen Custard, CreamiFit, Swirled Frozen Yogurt and Lite Ice Cream.
- **CUSTOMIZATION:** Create customizable treats as unique as you are. Control ingredients for low sugar, dairy-free, lower calorie, nut-free, high protein, and vegan options. Own your flavor, own your way – One Machine Fits All.
- **SOFT SERVE AT HOME:** Bring the ice cream shop to your countertop and unlock soft serve at home.
- **CREAMIFIT PROGRAM:** A revolutionary way to enjoy ice cream. This program is engineered to process lower calorie, high protein treats for a one spin solution to the perfect pint.
- **MIX-INS:** Customize the flavor and texture of your CREAMi Classics by mixing in your favorite chocolate, nuts, candy, fruit, and more.
- **EASY TO CLEAN:** Swirl pints, lids, paddle and swirl press are all BPA-free and dishwasher safe.
- **FAMILY-FRIENDLY FUN:** Share cones and make memories. The automatic Soft Serve Handle has 3 speed settings, making swirling cones easy, interactive, and fun for all ages.
- **WHATS INCLUDED:** Motor base, (2) CREAMi Swirl Pints with nozzles and storage lids, dispensing lid with swirl press, outer bowl and lid, Creamerizer Paddle, pull-out drip tray and 30+ handcrafted recipes.

## Product Description

The Ninja CREAMi Swirl turns almost anything into ice cream, soft serve, and much more at the touch of a button. Turn your countertop into an ice cream shop with Creamify Technology—now with soft serve. From one-ingredient fruit sorbets to protein-packed, low-calorie desserts, create customizable treats as unique as you are. Customize flavor, control ingredients, and choose classic scooped or swirled—the possibilities are endless.
